

2017 DIVER PROPULSION VEHICLE

These things are a blast to ride!

DPV's offer a thrilling way to see a lot of underwater territory in a brief amount of time. They scoot you through the water without kicking. Want to visit that offshore reef from the beach? A DPV may be the way to go.

- Must be a PADI Open Water Diver or Junior Open Water Diver (or qualifying certification from another organization) and 12 years old
- Course covers Diver propulsion vehicle dive planning organization, procedures, techniques, problems and hazards
- Equipment considerations
- Diver etiquette and how to avoid harming fragile aquatic life
- The PADI Diver Propulsion Vehicle Diver certification counts toward your Master Scuba Diver rating.

Prerequisites: Open Water or Junior Open Water Certification (must be over 12)

Cost: \$150 Course + manual

DPV's are provided for the training dives only.

Schedule:

Session 1 @ 7:00pm: Classroom at Float N' Flag Dive Centre
