

2018 DEEP DIVER

Available on a request basis

The Deep Diver Specialty course offers you the opportunity of a lifetime - going deep to see things others can only dream about. In this course you will experience what it's like to dive beyond 60 feet. Down there, it's different. It takes additional training. Here's where you get it.

- Must be a PADI Advanced/Adventure Diver (or qualifying certification from another organization) and 15 years old.
- Learn deep dive planning, organization, procedures, techniques and hazards. Also learn about and try different equipment such as pony/stage bottles and more.
- Four open water dives that range from 60 - 130 feet.
- Gain experience with diving deep under the direct, professional supervision of a PADI Instructor.
- Required Equipment List: In addition to the PADI Deep Diver Manual, you'll need all of your basic Scuba gear including: mask, fins, snorkel, exposure suit (drysuit recommended), weights, regulator with SPG & alternate air source, BCD, computer, compass, RDP (ie: Tables), dive knife or tool, slate with pencil, whistle, SMB and 2 lights (primary & back-up).
- Certification counts toward the PADI Master Scuba Diver rating.

Prerequisites: PADI (or equivalent) Advanced Certification (must be over 15)

Cost: \$340 Course + manual + Travel and Accommodations as required.

Schedule:

Session 1 @ 6:00pm - Classroom at Float N' Flag Dive Centre.

Session 2 @ 6:00pm - Gullivers - Pre-trip skills dive.

Session 3+4 - Dives will be held in Gilboa or Tobermory (or another location with "deep" water) .

Note to Participants: Additional details will be provided for you to make accommodations arrangements for yourself at the appropriate destination. You will be responsible for accommodation and travel costs. Quarry entry fees and/or charter fees, as well as fills, are also participants' responsibility.
