

2018 NIGHT DIVER

September 11th & 13th/ 18th

REGISTER TODAY

As the sun sets, you don your dive gear, slip on your mask and bite down on your regulator. A deep breath and you step off the boat – into the underwater night. Although you've seen this reef many times before, this time you drop into a whole new world and watch it come to life under the glow of your dive light.

The adventure, thrill and excitement of night diving can be yours when you complete your PADI Night Diver Specialty course. You learn about night dive planning, equipment and navigation. You practice these on three night dives, plus introduce yourself to the whole new cast of critters that comes out after the sun goes down.

- Must be a PADI Open Water Diver or Junior Open Water Diver (or qualifying certification from another organization) and 12 years old
- **Number of Dives: Three**
- Dive lights and night diving equipment
- Entries, exits and navigation at night
- Nocturnal aquatic life
- Communication and light handling

Materials: You'll Need a PADI Night Diver Manual

Certification counts toward the PADI Master Scuba Diver rating.

Cost: \$150 Course + Book + Equipment as required. You must have your own dive light (available for purchase at the store if you do not already own one) + dives as required.
