

2020 ADVANCED OPEN WATER DIVER

May 26th – 31st | July 21st – 26th | Aug 18th - 23rd | Sep 22nd – 27th

Move up and experience real adventure with the PADI Advanced Open Water Diver course. As you step beyond the PADI Open Water Diver level, you make five dives and have the opportunity to try some of diving's most rewarding and useful specialty activities, such as navigation, night diving, deep diving, DSMB use and drift diving. These skills make diving much more than underwater sightseeing. Plus, the Advanced Open Water Diver course takes you one step closer to Master Scuba Diver – the ultimate non-professional certification in recreational diving.

With your PADI Instructor, you'll complete the 5 Adventure Dives. These dives boost your confidence as you build these foundational skills. Each Adventure Dive in the PADI Advanced Open Water Diver course may credit toward the first dive of the corresponding PADI Specialty Diver course (ie: Deep, Night, Drift, etc.)

Required Equipment List: In addition to the PADI Adventures in Diving Manual, you'll need all of your basic Scuba gear including: mask, snorkel and fins/boots. You'll also need your RDP (ie: Tables), whistle & SMB (included with your crew pack) and 1 primary dive light. A dive knife or cutting tool is also required. A tank light is also recommended.

Gear included in the course price is an exposure suit, weights, regulator with SPG & alternate air source, BCD, compass, tanks and all air fills.

Prerequisites:

- Open Water or Junior Open Water Certification (must be over 12)
- For the Night dive (and others like Deep), you will need your own primary dive light. Several specials are available at FNF. A tank light is also recommended.

Cost: \$379 Course + Advanced OW Diver Crew Pack \$150 (includes all rental gear and all air fills for the course)

Schedule:

Session 1 @ 6:00pm: Classroom at Float N' Flag Dive Centre
Session 2 @ 6:00pm: Weight check, skills review, DSMB dive - Gullivers Lake Park – Entry fee \$10.00
Session 3 @ 6:00pm: Navigation & Night dives - Gullivers Lake Park - Entry fee \$10.00
Session 4 @ 9:00am: Drift Dive - Upper Niagara River
Session 5 @ 11:00am: Deep Dive - Warton (Optional second fun dive)

NOTE: Please read and complete the Knowledge Review for the following chapters: Thinking Like a Diver, Navigation, Night, Drift & Deep. DSMB will be covered fully in class. We strongly recommend you also complete the Wreck chapter as well, and you'll most likely want to take the Enriched Air course with or right after your advanced course, so it's also worth reading.
