A BUCKET LIST EXPERIENCE

is much closer than you think!

If you like excitement, incredible marine life, exploring wrecks and a lot of fun and laughter, this is the week for you! With 5 days of diving, you'll discover the secrets of all four of the famous Bell Island shipwrecks that are extremely well preserved. These 4 wrecks are intact and upright on the bottom, over 400 ft long, and in virtually the same conditions as the day they were sunk by German U-boats in 1942. You can't visit just once!

Along with exploring the shipwrecks, this tour features seven nights' accommodations, five days of diving (two dives a day) including an on-board lunch, tanks (2 x 80 cu ft alum) and complimentary airport shuttle service. Nitrox and additional equipment rentals are extra as outlined below.

ALL DIVER CATEGORIES INCLUDE:

- **Homestyle Accommodations**
- **Free WiFi high speed internet acces**
- **Lunch, right on the dive boat!**
- **Unlimited diving** (5 days of boat dives + unlimited shore diving)
- **Return flights from Toronto to St. John's**
- **15% NL sales tax included in price estimates**
