Arrive at Pool @ 4:15pm - Vax Check Procedures No Longer Required

Please see the map on the next page. You should have all your gear with you when you arrive at the front lobby. Upon entering the building, you will be required to self-assess your health based on the posted questions. Once completed, you'll enter the 25m pool directly through the door to the lobby at 4:30pm. Please be on time as the door needs to be supervised to let you in.

You need to be wearing a mask the full time you are in the building (except when underwater of course). Please also ensure you are physically distancing from others you don't live with.

Please shower in the daytime before you come to the pool and wear your bathing suit under your clothes so you can be ready right away. The requirement to shower immediately before entering the pool is currently waived.

Being on the deck at 4:30pm sharp will give us time to set up equipment and do a quick brief with your session leader. We are in the water promptly at 5:00pm. Your group lead or one of the FNF staff will be in charge of the rinse hose at the end of the pool session since communal rinse buckets are not a thing at the moment. Simply strip your gear down and bring it over to the rinse area. We'll give your gear a thorough rinse with the hose. Since it isn't a full immersion, we strongly recommend you give your gear a thorough dunk style rinse when you get home. You can then have a shower and change into your street clothes at the end of your pool session. The pool staff have requested we try and be out of the building 30 minutes after our pool time is complete.

Wayne Gretzky Sports Centre
254 N Park St, Brantford, ON N3R 4L1
(519) 756-9900

The Wayne Gretzky Sports Centre is in Brantford, just off Hwy 403. It is a 25 minute drive from the shop. Directions from the Burlington area are as follows:

- Take Hwy 403
Hamilton/Brantford/London
- Exit at King George Rd (Exit 36)
- Keep Right onto Fairview St at end of ramp
- Continue past the first stop sign
- Turn Right into the entrance at Walter Gretzky Blvd. There is a large white sign with red "99" on top.
- You are now on the property (see Figure 1 below for the view from there)
- Turn Left at the stop sign, and then turn right just after to pull into the U-shaped driveway. Just inside (see the white "X" in figure 2) you'll do your health self assessment and then drop your gear by the door to the pool off the lobby.
- Once checked in, park your car and head back to the lobby door to the door to the 25m pool. You'll be let in by either the WGSC lifeguard staff (or the Float N' Flag staff). The staff will guide you from there.

Please be patient with FNF and Wayne Gretzky staff. Some of these requirements change daily and can be tricky to keep up with. Just know we are all doing the best we can to get you underwater. :)
