Arrive at Pool @ 4:15pm

Please see the map on the next page. You should have all your gear with you when you arrive at the front lobby. You'll enter the 25m pool directly through the door to the lobby at 4:30pm. Please be on time as the door needs to be supervised to let you in.

you will need to shower immediately before entering the pool. Staff will direct you if it's your first time joining us.

Being on the deck at 4:30pm sharp will give us time to set up equipment and do a quick brief with your session leader. We are in the water promptly at 5:00pm. Your group lead or one of the FNF staff will be in charge of the rinse hose at the end of the pool session since communal rinse buckets are still not a thing at the moment. Simply strip your gear down and bring it over to the rinse area. We'll give your gear a thorough rinse with the hose. Since it isn't a full immersion, we strongly recommend you give your gear a thorough dunk style rinse when you get home. You can then have a shower and change into your street clothes at the end of your pool session. The pool staff have requested we try and be out of the building 30 minutes after our pool time is complete.
