Note: We do not rent mask, snorkel, fins & boots. You will need to purchase your own if you don't already own them. All gear must be picked up at the shop by the diver.

Arrive at Pool @ 4:15pm

Please see the map on the next page. You should have all your gear with you when you arrive at the front lobby. You'll enter the 25m pool directly through the door to the lobby at 4:30pm. Please be on time as the door needs to be supervised to let you in.

You will need to shower immediately before entering the pool. Staff will direct you if it's your first time joining us.

Being on the deck at 4:30pm sharp will give us time to set up equipment and do a quick brief with your session leader. We are in the water promptly at 5:00pm. At the end of the session, please be out of the pool at the designated time and rinse your gear in the large rinse buckets on the deck. You can then have a shower and change into your street clothes at the end of your pool session. The pool staff have requested we try and be out of the building 30 minutes after our pool time is complete.
