

DRY SUIT DIVER

**FLOAT
N' FLAG**
DIVE CENTRE

June 12 - 14 in Tobermory | Available upon request & with drysuit purchase

Wanna stay warm and toasty on a dive? Then stay out of the water. What? Stay out of the water? Yes! Unlike a wetsuit, a dry suit seals you off from the outside water. In the PADI Dry Suit Diver Specialty course, you'll learn how to use a dry suit. And that helps keep you warm! Even in very cold water.

- Must be a PADI Open Water Diver or Junior Open Water Diver (or hold a qualifying certification from another training organization) and at least 12 years old
- Don and doff techniques specific to your dry suit
- Dry suit buoyancy control skills
- Dry suit maintenance and storage
- Undergarment options (fleece or overall-type garments worn under the dry suit)
- The PADI Dry Suit Diver certification credits toward the PADI Master Scuba Diver rating

Prerequisites: Open Water or Junior Open Water Certification (must be over 12)

Cost: Course fee is \$250 (including drysuit review and fitting session, pool orientation dive and 2 open water dives) plus the PADI e-Learning course fee (\$206). Tax extra.

All divers must **purchase the e-learning** module, but the **course fee (\$250) is FREE with the purchase of a Dry Suit from Float N' Flag**. Rental suits are available for the Tobermory Course weekend but otherwise, you need your own drysuit for the course.
