

Join Float N' Flag dive crew for our famous

Drive n' Dive events

FLOAT N' FLAG

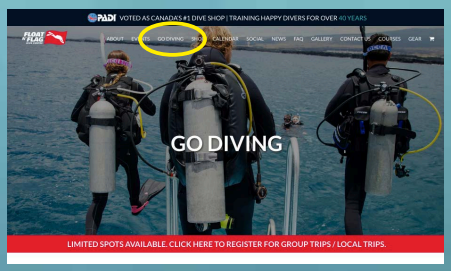

SO MUCH FUN!

Whether you're new to diving or have been at it for a while, you'll love the format of this event. No Charter fees... Just Drivin' and Divin'! All dives are guided shore dives, and for many of you, will be in places you haven't dove before. This expands your experience, comfort and options for future diving.

Participants will DRIVE and meet their designated event leader, then DIVE on Saturday for 2-3 shore dives. Then you'll hop in the car and DRIVE home!

Participation for the event will simply cost $50. Air fills, Meals and any Rental Gear (if required) are not included.

Secure your spot and be sure to register early.

2027 Dates

July 10
Aug 21

Cedar Hill Park (Wiarton)

You can register in person at the shop, or better yet, use our online registration form. Click on the *Go Diving Tab* on the website and you can register from there by clicking on the red bar that says "Register for Group Trips/Local trips."

What a spectacular introduction to local diving, making new friends and becoming part of the Float N' Flag community!" Our famous Drive N' Dive event is one of the best ways to get familiar with local diving, all under the guidance and supervision of our professional staff. And with shore dives and no charter fee, the $50 price tag is perfect!!

Participants on our Drive N' Dive events can be at any diver level. The guided dives are within Open Water Diver depth limits. Participants certified to do so and with cold water experience are welcome to dive to their certification, experience and comfort level.

Please note, this event is **designed for active cold water divers**. It is **not a "refresher" for those that haven't been diving in a couple years**. If this is where you're at, however, no problem. We have a **ReActivate program to refresh** your Dive Theory and In-water skills. Find out more about our ReActivate program on our website or ask the crew. Drive N' Dive is also not an appropriate session if this is your first time in cold water. If you're an active diver but not in cold water, a free practice session will be held every Wednesday before the DND event to allow people to dive in Gulliver's with the gear they plan on using for the event. You'll fine tune your weighting, buoyancy and trim in anticipation of the dives.

If you're interested in our **Advanced Open Water course,** which includes a deep dive in Wiarton at the same site we visit for the Drive N' Dive, view the details on our course offerings this season on the website or pick up a course flyer. If you're already AOW certified and would like to explore other PADI courses offered by the most experienced Instructor Team in Canada (Rescue, Nitrox, Drift, Deep, Wreck, etc.), head to the shop or our website calendar or course listings to check out all your options!

See you underwater!
